“ *Dear family of Alan. Please accept my sympathy and love as you remember your husband, dad, grandpa, etal. Brent told me that you, Brian, were able to hold his hand before he left. That is a memory that can never be taken from you and one to be cherished.*

Plan to see you tomorrow. Am fighting a GI bug, but will do everything to be there.

May the presence of the Holy Spirit hold you and guide you through this time of mourning. Hang on tight to the memories.

I truly do understand what you are feeling today. May God be your support and strength and bring you peace. Much love, Faith
