“ Marjean and Kristin: Our hearts go out to you during this difficult time. It's never easy to say good-bye to someone you love. May the Great Comforter hold you particularly close during the coming days; and may you find peace in knowing that as long as you hold him in your hearts and memories, he will always be with you. He played a HUGE part in influencing the kind, warm, grace-filled, good natured, hard working individuals you've grown to be and a very important part of Anton lives on in your personalities. God bless you and your family.

“ Iva and family - Our condolences go out to you and your family. Anton was a wonderful man and we always looked forward to seeing both of you walk by our house in the mornings! I was just looking at a picture yesterday from this summer that I took when Anton spelled out his name in sweet corn on our deck. We were all saddened to hear of his passing and pray that you find peace in the days ahead. He will definately be missed.

“ Gerald:

Thinking of you, as we have aging parents also. When our parents pass on we become the elder generation. Many times I feel unprepared for that
