“ I'm sorry to hear of your loss. May you find comfort knowing that others share your loss and are there to lean on when needed.

Art was always such a good friend to Mom & Dad. I have great memories of him from my childhood. His giving Sherri & I gum when he came to the house with fuel, his eating mountain oysters with dad, and seeing him in his Legion cap, shirt & tie at all the Memorial Day Ceremonies. I once asked him, after Dad could no longer talk, if he could tell me Dad's recipe for his batter he used on those Mountain oysters they used to eat, and he told me that Dad always had that ready when he got there and all he had to do was bring some beer. The memories I'll always have will continue to bring a smile to my face.

I just know that Dad & Art are catching up now that they are together again. I look forward to the day when we'll all reunite in heaven.

“ I am so sorry to hear of Art's passing. Art, Amos Meyer and my Mom, Sylvia May, grew up together and shared so many wonderful memories throughout the years. My Mom and Dad (George May) really enjoyed "going to see Art and Marion" and could always count on it being a fun visit. My deepest sympathy to all of you and may God Bless you and comfort you during this loss.

“ Dear Aunt Marian & family
I was very sad to hear of the passing of Uncle Art. He was one of a kind. A good man who was always ready with a kind word or a funny joke. Uncle Art was one of the last of the "greatest generation". He will be sorely missed. God Bless you in your time of loss.
