“ *Lorna/Tort, Sooo sorry to read about your daughter. Soo sad. Will lift you up to God! May He wrap His arms about you and give you peace. We donâ€™t understand Godâ€™s ways but know they are perfect. Knowing and having that personal relationship with Jesus gives us peace that believers can have .

“ I just wanted to express my sympathies to the whole family. I have flashes of memories of Bonnie at Lake Poinsett as a young kid. When I was a high schooler, she would always make a point to chat with me when we would bump into each other around Tea. Her warmth and kindness never went unnoticed. I know she will be missed dearly. I hope your memories of Bonnie will bring you peace and light.

“ its been a minute since we last seen each other. I worked with jeff for about 4 years at home depot, and went to school in tea with jason and jeff. a person never knows when they are next in line. we are not sanding desks at lunch anymore. lol it would be nice to flip the clock back and do it all again, but a person would never know what is next.

TAKE CARE, we will all be seeing each other someday i believe
