“ Hi Vonda,  
I just went to the Klusmann funeral home website to read Mary Hofer's obituary after talking to her daughter-in-law, Holly, at church this morning. I noticed that Brian had passed away. Even though I didn't teach him in kindergarten in Lennox, I remember him well. Our youngest son passed away from cancer, so I understand the hurt. My thoughts and prayers are with you. “ Brian was such a bright light when I was his music teacher in Lennox. He always had a great smile on his face! God bless the Oltmanns family.

“ Brian, you were my first high school crush, always up for an adventure. Giving me crap for writing notes to you, when I accidentally wrote brain instead of Brian. Then it became a game. You always had a smile and a twinkle in your eye. Your laugh was contagious and you had the kindest heart 💜. I hope you were greeted by your best friend, Alan. He always had your back and accepted us out of trouble. Love, Cherien
