“ *Helen, Jody, Jill, and families,
Byron was certain one-of-a-kind! I didn't know anyone that met him
that didn't like him! He will live on through you.*

“ *Helen, I was shocked to see the notice about Byron. Haven't seen
you for so long--since Dad was in the Lennox NH 12 years ago--so I
didn't know that Byron was sick. Please accept my sincere
sympathies to you and the family. You take care of yourself now.
Your long-time friend, Arliss Schroedermeier Brooks.*

“ *R.I.P. Byron.
How I remember our grade and high school days. You would invite
me to go to Huset's with your mom & dad. The number of times we
would ride around in your first car. What fun we had when we were
growing up. So many memories!
Our prayers to the Stack Family.
