“ Cindy was a fun cousin! We had fun bowling at the Lennox bowling alley, fun playing pinball machines, fun swimming at the pool and fun visiting her Grandma Alice and Grandpa “Dutch” every time we went to Lennox. Oh so much fun while we were young kids! We had a camp out in my little shack (photo) when our other family members arrived from afar and this is a picture of that fun time! Cindy had a most compassionate tender heart. The last time we reminisced, Cindy told me that every Friday night Grandma Alice would come walking down the sidewalk to babysit them while Mom and Dad would go out to eat at the Tea steakhouse and then go grocery shopping. She said Grandma would always have Reeses, Bings, Hersheys, vanilla ice cream and pop along. I loved hearing her voice talking about all those great times. My grandson heard about her illness and wanted to color her a picture (photo) which we sent in the mail so she could enjoy the mail. Cindy was the cousin I hung out with - a lot - and I am grateful for sharing those treasured moments, growing up with her. Our deepest sympathy and prayers to Keith, Cheryl and all of the Wierenga side of our family, in this very sad time. She was a gem and will be remembered for the extra special cousin/woman that she was “ i,
