“ Darrell was one of my favorite customers when I worked with CENEX as an agronomist. He always wanted to try the latest ways to increase yields and most economical ways to do it. I enjoyed his friendship. Allen

“ I had the opportunity to work with Darrell when I worked for CENEX with fertilizers and crop protection products. He was one of the best customers I had and he made it easy to talk with him a about new things and products. Enjoyed his friendship. I am praying for his family.

“ To The Darrell Timmerman family. My greatest sympathy on the passing of a true Gentleman and man. Words cannot describe what a caring father, well respected person in the community and all of the tremendous accomplishments he endured. A pleasant person who raised a wonderful family based on all of their accomplishments. Words cannot describe him any better and how dearly he will be missed. May god Bless every one and all of you. Kindest regards, Brian Lind

“ When someone you love becomes a memory, the memory becomes a treasure. Our hearts, thoughts and prayers are with you. May God give you comfort from His Holy Word, the Bible. “He will swallow death forever, and the Sovereign Lord God will wipe away the tears from all faces.” Isaiah 25:8. “He wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Revelation 21:4 Please accept my deepest condolences.

“ Tim and I were kindred spirits throughout the years. He was always so kind to us. It was painful to watch Tim fail the last few years, but of course, more painful for him. He always smiled when he saw us. May God bless his soul and his memory.
