“ *My heart goes out to the Haan family at this very sad time. I work at the Village in physical therapy and met both Jenny and Frank at the Village. Both are very special people and I was saddened to read about Frank's death. I can still see him riding around on his scooter when he would come to visit Jenny. Frank was always friendly and had a smile for everyone. He will truly be missed. All my sympathy, MJ*

“ Jenny and Family, My sincere sympathy to all of you in the loss of your loved one. It has been many years since we've had contact but there are many memories. The blanket that Molly still has from you Jenny, the handkerchief that you gave me on my wedding day that Erin just used at her wedding day wrapped around her wedding bouquet, and so many more. May God wrap his loving arms around all of you and keep you strong in his Faith.
