“ We're are saddened to hear of Howard's passing. We have many fond memories of family reunion gatherings with him, Esther, Earl, Janice, Irma and Great-Aunt Alice. May you be comforted in the days ahead as his angel wings gently and softly tickle your hearts and faces with many warm memories and smiles; and as you think of the heavenly reunion he is having with so many loved ones. He will continue to live on through the many golden threads he weaved into the life tapestries of all of those, including us, who were fortunate and blessed to share the journey of life with him. You are all in our thoughts and prayers.
