

## Isaac Chase

April 18, 2012 - June 14, 2015

Isaac Chase, age 3, died suddenly, Sunday, June 14, 2015, after a lifelong struggle with an undiagnosed neuromuscular disorder. Isaac Ryan Chase was born along with his twin brother Caleb on April 18, 2012, the son of Ryan and Barbara (Bleeker) Chase, at Sanford Hospital in Sioux Falls, South Dakota. Isaac enjoyed playing the piano with his feet, using his iPad, sounding the siren on his fire truck, and watching his fish. He loved to read books, look at pictures and attend Thursday morning story time at the library. His favorite television programs were cartoons, especially Mickey Mouse and Daniel Tiger. He loved monkeys, giraffes, and other zoo animals. He also enjoyed watching the ferris wheel at Scheels, and the many outings he took with his family. Isaac belonged to Emmaus Road Church in Sioux Falls. Grateful for having shared his life are his parents, Ryan and Barbara Chase of Sioux Falls; his twin brother Caleb; grandparents: Mark and Mary Chase of Brandon, Karlin and Carolyn Bleeker of Sioux Center, IA and a host of aunts, uncles, cousins, other relatives, friends, caregivers and his church family. Services will begin at 10:00 a.m. Friday, June 19 at Sioux Falls Christian School with burial to follow in the Woodlawn Cemetery. Visitation, also at Sioux Falls Christian School, will be held Thursday, from 6 to 8:30 p.m. with the family present. Dindot-Klusmann Funeral Home, Lennox is in charge of arrangements.

“ Dear Barbara, Ryan, Caleb and family,  
I have had the privilege of helping to care for Isaac for 2 1/2 years. Isaac and his family and friends other caregivers have taught me so much! They taught me that in the midst of chaos God fulfills His promise to lead us beside still waters, and make us lie down in green pastures. During the calm we experienced the joy of watching Isaac participate in music, reading, games, water play, sledding, art, numerous outings: to see Mickey Mouse, going to the zoo, church, library, grocery store, Scheels, the beach, feeding the ducks at the pond, and numerous other experiences. My favorite time with Isaac was reading with him, his little legs would constantly kick (his way of showing excitement and joy). I love Isaac and loved caring for him. I loved tucking him in for naps and at bedtime. His tiny fingers couldn't make a fist but his straight fingers fingers would fan out and in on his blanket. I miss you Isaac!! I will see you running to me when I go to heaven some day, and feel your arms hugging me. Glory!!

“ Dearest Barbara, Ryan and Caleb,

*Isaac, you are in the arms of Christ. Just a moment there is better than here. Life is short but it is wide. You've touched more souls than most people ever do.*

*You could not stay with us. We will come to you. You're going home, love, where you belong. Oh my boy, we will see you soon.*

*Thinking of you! Elizabeth*
