“ Joy, Dallas, Austin and Melisa

I truly believe that in death you have life eternal. Mom/grandma feels no pain and is not sad but is in total amazement on her new life. I miss her laugh, taco salad, our talks about plants and her cactus. She absolutely loved you and when it is time for our journey to eternal life begins, she will be there waiting. My love goes out to each and everyone of you.

“ Family of Janis,

I worked with Janis at the Heart Hospital, She was a very kind loving person. Always had a smile on her face. Never said a cross word about anyone. She was missed when she had to give up working because of her health. But she fought it the best she could. Thoughts and prayer's are with you at this sad time. God bless you have my deepest Sympathy. Joyce Rodman
