“ I am so sad to hear that Jon took his final ride, he will be greatly missed. I hadn't seen Jon in awhile I am grateful for the many years of friendship we shared through the years. I know Tom was really looking forward to a bike trip planned with Rick and Jon, I am so glad they were able to make the trip in July! Jon will always be remembered for the genuine great guy he was as a dad, brother, friend. Lacy and Maggie you girls were his pride and joy from the moment you were born, I remember how protective he was of both of you as little babies, I would offer to feed you when I was over visiting, he would always say no I got this with a smile, doing his part as dad was clearly something he loved more than words can express. I know all the memories you have, and the love his spirit will live on forever. I hope it helps to know that love and prayers are being sent to you all while you are grieving and your heart is broke
💔🙏💔🙏💔🙏 Rest In Peace Jon God's Speed Jon
