“ Deepest sympathy to Judy's family. I hadn't seen Judy since our teenage years but she was a very good friend back then. I wish we wouldn't have drifted apart. Rest in peace Judy.

“ I just wanted you to know that you all have my deepest sympathy. I was so sad to hear of Judy's passing. She was always so nice to me- even as a little girl when my dad (Darwin) hung around with her husband Dennis. Take care and know that my thoughts are with you all.

“ We will always cherish and remember all of the good times we spent together. Especially all of the camping trips to River Boat Days and Oktoberfest and Judy's "ghost stories" that Halloween. She was always so easy to talk to and the kids enjoyed her as much as the adults! Love and prayers to you all.

“ *I will never know how to tell you all how sorry I am. I will always cherish my memories of the times with Judy making us breakfast before school when I would spend the night, or when we would stop in for gas money and Judy wouldn't let us leave again because we were "chewing gum"...Thank you for sharing your mother, wife and friend with me. She will be forever in my memories.*

“ *Family & friends of Judy,  
My heartfelt condolences to you all. I didn't have the good fortune to know Judy. I did attend school with two of her sisters and knew Gary as he went about his many years with the outdoor advertising co. Cherish your memories of Judy. And comfort one another til you meet again...Beyond the Sunset.*
