

Larry Nordman

November 26, 1935 - December 9, 2020

Larry Nordman passed away on December 9, 2020 at the Sanford Hospice Cottage surrounded by friends and family. He was 85 years old. Larry was an avid fisherman and hunter. He particularly enjoyed participating in the various pool leagues around Lennox. He participated not only as a player, but he and his wife Dorothy helped facilitate the many leagues he was involved with.

Early in 2020, Larry was inducted into the South Dakota 8-Ball Hall of Fame, an honor he was particularly proud of.

Larry will be greeted by Dorothy, his wife of 64 years, his brother Gene, his parents Ralph and Ann Nordman and several four-legged friends who added so much to their lives over the years.

He is survived by his son Delwin (Angie) Nordman, his daughter Cheryl (Gary) Osborn and several grandchildren.

We will be holding a celebration of life ceremony when it is again safe for all of us to be together. We would also like to thank all of the family and friends who made Larry and Dorothy's life such a happy one.

PHOTO: In 1940, this photo of a proud 5-year-old Larry Nordman appeared in the Lennox Independent. This was his first gun and first pheasant hunting season with his father, Ralph Nordman.

“ No words can express how much Ryan & all of us loved Larry & Dorothy. His time spent with them has never been forgotten and often we talk about something that he was able to do with them. Larry & Dorothy spend an eternity fishing, hunting, shooting pool & eating tiger meat.
Thanks for sharing your Dad & Mom with us!

“ Larry was an amazing man who definitely has made a special spot for him in my head. The last words he said to me were “œl really hope youâ€™re having a baby boy” and I found out 4 days before his passing, that I will be having a beautiful baby boy in april. :) He will forever be loved & missed.
RIP Larry N. We love you bunches.

“ So sorry to hear about Larry passing. We spent many hours growing up at Larry and Dorothy’s house. Going Turtle fishing, Once during an ice storm the electricity went out so we stayed with them since they had a wood stove. Watching the adults play cards, or pool in the basement. Will always remember the sound of laughter and the smell of cookies when thinking of Larry and Dorothy!
