“ Dear Irene,
We want you to know how special your Dad was to us. He had a tremendous impact on our children. Thank you for sharing your Dad with us. I know it was a sacrifice at times when he coached Cross Country and Track & Field but please know that he poured into so many young people and encouraged them not only in sports but in life. Your Dad's legacy will live on through the many hundreds of student-athletes he touched. We love you and will continue to pray for you and your Mom.

God's grace and love to you,
Rory & Marie Constancio

“ Dear Andrea,
There are no words to express how sorry we are for your loss. You and Marty had such an impact on both of our children--Carina and Caleb. You have forever touched not only their lives but ours as well.
We will miss Marty. He had such a big heart for all those who knew him. We have so many good memories of you two and thank you for sharing your lives with ours. We love you and we will continue to pray that God will comfort you and give you His grace.

Love,
Rory , Marie, Carina & Caleb
