“*Ronelle and I have led part of our lives traveling the same way. We were in the same Sunday School Class, choir, and youth group at Ebenezer Presbyterian Church in Lennox and the same class at LHS. From there our lives went in different directions, but high school class reunions and technology, the internet, brought us back into contact in recent years.*

*I am comforted that both our professions of faith many years ago remained firm all these years. She has stepped ahead of me now - I will be coming later, whenever God determines it is my time. Jean and I offer our most sincere sympathy to her family.*

“*I will always remember Ronelle with a smile on my face. She was ready to go anytime I asked her to go with me; to eat, to a ball game, to coffee, to Custer, to Italy... we did it all.*

*She was always the strong one; I thought she would even outlive me.*

*Again, I thank her for our times together and the memories we made. I will miss her. My thoughts and prayers are with all of you.*
