“ *Grandma...I will miss you ALWAYS and love you FOREVER!!! You were always one of my biggest supporters and could always make me feel better.*

We made some precious memories that I will carry with me always!

This past month was extremely hard...we all thought we had so much more time with you! I've always known you were going to be the hardest to lose but even I couldn't imagine how hard it has been!!! I know you are in such a beautiful place now...dancing with Grandpa again.

Being the oldest grandchild, I always joked that at least at one time I was the favorite...I now know that I was the LUCKY ONE because I got to LOVE YOU THE LONGEST!!!

Until we meet again Grandma...I love you!!!

“ *To my Cousins, your mum was a warm and giving person, she was my Aunt. Memories of fun for holidays and in spending time are many. All my prayers and thoughts are with you at this time and always. Remembered with love Aunt Ruthie, even when she sent my birthday cards on the 11th of February and not the 11th of January, made me smile.*
